1. It is agreed to turn over by deed to the Methodist Episcopal Church all property now held by the Methodist Episcopal Church, South in the bounds of the Jarbolo, Easton and Cummings Circuits including the church and parsonage at Fairmount, but not including the Bethel Church near Everest since that church cannot be deeded to any one because of a clause in the deed. However, we request the proper authorities of the Methodist Episcopal Church to provide a pastor for this congregation as long as they continue to meet and worship. The consideration specified and agreed to is the sum of \$700, to be paid by the proper authorities.

2. The Missouri Conference hereby appoints B. D. Sipple the Agent to act for the Methodist Episcopal Church, South, in completing these negotiations and deeding the property to the Methodist Episcopal Church.

3. The consideration of \$700.00 to be paid by the Methodist Episcopal Church shall be held by the trustees of the Richmond District Parsonage and at least \$500 of which shall be kept at interest and the interest used to keep said property in repair, as far as possible.

4. Paragraph three in this paper may be modified, since no property mortgaged by the Board of Church Extension can be deeded until the amount loaned by said Board of Church Extension is returned. If the amount invested in this property should amount to more than this consideration of \$700, we shall expect the Methodist Episcopal Church to pay the full amount.

5. Minor conditions mentioned in the signed agreement, not necessary to mention here will be held.

We would in particular thank the Presiding Elder, Brother O. H. Phillips, and the pastors, Brothers W. A. Tetley and William Leslie Myers and numerous laymen in their congregations for their attention to all our needs.

We would also thank Mrs. Fidella Martz, who has given such painstaking attention to the entertainment of all conference visitors.

We desire to thank the choir and all other singers who have rendered special music during our sessions.

The Secretary and other workers of the Y. M. C. A. have shown us many kindnesses; we thank them also for these favors.

We appreciate the loan of the Burroughs adding machines and typewriters secured by brethren of the church for our use.

The dining service provided by the ladies of the Christian Church was bounteous and wholesome and our fellowship at all times was most pleasant. We would assure these good people of our sincere appreciation.

We desire to assure the secretarial, statistical and financial corps, who have given much time to the oversight of all details of Conference business of our appreciation.

REPORTS

REPORT OF THE BOARD OF MISSIONS, No. I.

We, the Board of Missions, beg to submit the following report:

A plan has been determined upon for definite enlargement of our work among the students at the University of Missouri at Columbia which contemplates the erection of a plant costing \$400,000. The members of the Board are most heartily in favor of increasing our usefulness there to the limit of our ability and thoroughly indorse this most important enterprise.

A definite plan has been proposed and a representative of the Commission on our work at the University has appeared before the Board with request for financial help. The project is to put a man in the field to raise \$200,000 in Missouri in the next two years. The Commission asks the Board of Missions of the three Conferences in Missouri to pay this agent's salary for the two years and his house rent which will amount to about \$4,100—\$3,500 salary and \$600 house rent each year.

The Board of Missions of the Missouri Conference suggested that the Boards of Church Extension of the three Conferences assume the payment of the house rent.

In a matter of such importance, the Board desires specific instructions from the Conference as a whole and requests you to signify your wishes as to the appropriation of \$2,000, our part of the salary, or \$1,800 a year, if the Boards of Church Extension assume the house rent—for a period of two years.

J. N. BOYD, Chairman
ROBIN GOULD, Secretary

To the Bishop and Members of the Missouri Annual Conference.

Dear Brethren:—

The Commission appointed by you to provide adequate and suitable church equipment at Columbia, Missouri, the seat of our State University, beg leave to submit the following report:

The Committee consisting of Bishop W. F. McMurry and Dr. R. L. Russell appointed to represent and to act for the joint Committee from the

Board of Church Extension, Board of Missions, and Board of Education, met with us and submitted to us the following proposition:

First—We believe that a property to cost not less than \$400,000 is necessary to care successfully for our work in that important educational center.

Second—We note with satisfaction and gratitude the proposition submitted by the Women's Missionary Council, as stated to us by Mrs. F. F. Stephens, Vice-President of the Women's Missionary Council, namely: That \$75,000.00 is available to build a \$100,000 Dormitory for Girls on condition that \$25,000 additional, together with a suitable lot be provided from other sources, making the cost of the Dormitory and furnishings \$110,000.

Third—We hereby agree to recommend to the Board of Church Extension and the Board of Missions, as authorized by the joint Commission a donation of \$50,000 from each of the Boards named, or a total of \$100,000 on condition that \$225,000 be provided by Columbia and Boone County, and the State at large, said amount to be credited with the value of our present church property in Columbia.

Fourth—It is our judgment that not less than \$100,000 of the \$225,000 needed should be secured in Columbia and Boone County.

Fifth—The total amount of \$400,000, \$175,000 of which is to come from the Church Boards, is to be expended under the direction of a Committee representing the connectional interests involved, and the local church, and the conference commission, as may be agreed upon.

Sixth—We suggest that work be commenced without delay, keeping in mind of course, the securing of funds, and proper plans, that the plant, when erected, may be a credit to the Church and the State.

Seventh—The fund promised by the Boards to be available in proportion as other funds are available.

Respectfully submitted,

W. E. McMURRY,

R. F. RUSSELL,

Committee

Your Commission recommend that this proposition of the General Boards be accepted, and that we express our appreciation of their interest and generosity in making possible a basis upon which operations may begin at once at Columbia. It is the judgment of your Commission that this work can no longer wisely or safely be delayed. We therefore, recommend, that the following resolutions be adopted. Resolved, First, that the Missouri Conference endorse the entire proposition, as outlined by the Com-

mittee from the General Board, and pledge ourselves to earnest effort for the accomplishment of this work. Second, it is further resolved, that we most earnestly request Bishop W. F. McMurry to serve as Chairman of the General Building Committee, and we furthermore respectfully request Bishop W. B. Murrah to appoint Rev. W. L. Halberstadt as Junior Preacher at Broadway, Columbia, and Secretary of the Building Committee.

Respectfully submitted,

J. D. RANDOLPH

BOARD OF MISSIONS No. 2

We, your Board of Missions, beg leave to submit the following report:

We have been greatly encouraged by the report of the work of the Board of Missions as given to us in its annual report and the information brought to us by Rev. R. L. Russell, who represented the Board at the Missouri Annual Conference. Dr. Russell emphasized the fact that as the Centenary has called for the large expansion of our forces at home and abroad God has raised up young men and women to answer the call of the church.

The department of Home Missions has enlarged its work and given the church a great constructive program for both the city and country work. It has felt the need for heroic work in the growing industrial centers of the South. The need of saving the church in the rural sections is being met by a definite enlargement of the work of the Board of Missions.

We wish to commend the earnest work of our Conference Missionary Secretary, Rev. V. O. White. \$88,000 has been paid during the year on the Centenary pledges and the Missouri Conference has kept its place near the top in the per centage of collections. However, we have not reached the amount we should have collected by this time and the Board urgently impresses upon the Conference the vital necessity of bringing these collections up. The Centenary cannot be called a success until this is done.

Every pastor and presiding elder is called to untiring and wholehearted consecration to this work that we may begin the year 1922 with our full per centage raised. The month of January has been set aside as the month in which payment in full to date shall be made. A large part of the Centenary work this year will be to emphasize the spiritual resources campaign. The two Commissions have asked for a joint committee to correlate this work. Great progress must be made. We have now only 1000 tithers in the Missouri Conference. We believe that the work of the Centenary cannot be carried on successfully in the Missouri Conference without the assistance of the Missionary Secretary and to that end we ask the re-appointment of Rev. V. O. White to this position.

Not only must the pledges be collected in full but, if we are to conserve the work that is being done, we must connect the churches in a vital manner with the mission fields. This can be done through the specials that the Board of Missions is urging us to adopt. All missionary contributions should be converted into these specials.

We are grateful to report that we have been able in a large measure to appropriate the money asked by the presiding elders for their mission charges. Of course, all such appropriations are provisional on progress and cannot be indefinitely continued. We trust that every effort possible will be made by those receiving these appropriations to become self-sustaining.

We desire to call the attention of the Conference to the faithful and successful work of Rev. W. P. Hunt, our Conference Missionary evangelist. We ask for his re-appointment on the same basis as that on which he was employed last year. A number of applications were received by the Board from members of the Conference for appointment to such work. While we realized the importance of such work, we felt that the need for pastors was so great at this time that we could make no recommendations for other Conference evangelists. We urge the pastors to assist one another in evangelistic work as much as possible and to that end we offer them the assistance of the evangelistic committee of the Conference Board of Missions.

We rejoiced in the report of progress that was made to the Board by representatives of Wesley House, St. Joseph. We congratulate the churches there on their work and the unusual opportunity they have in perfecting a large social service program.

As directed by the Conference we ask for the appointment of Rev. W. L. Halberstadt as associate pastor and field secretary to the Broadway Church, Columbia, in the interest of the great work of enlargement we have undertaken there.

We ask the re-appointment of Rev. A. C. Zumbrunnen as Secretary of Surveys for the Board of Missions.

We desire the election to the Conference Board of Missions of Rev. William Leslie Myers, vice Rev. S. W. Hayne, (transferred) and of Mr. J. T. Cross, vice A. E. Richardson, resigned.

Respectfully submitted,

J. N. BOYD, Chairman

ROBIN GOULD, Secretary

REPORT OF THE BOARD OF CHURCH EXTENSION

From the report of the General Board we note the evidence of continued progress. The report indicates the continued growth of the Loan fund.

We rejoice that these funds are growing as they are, making it possible to carry forward a program of building that would not be possible but for the fact that we are developing a great Church Extension Loan Fund.

Along with this, of course there has been the income from the Centenary, making it possible to lend aid where it has been keenly needed for years.

In spite of the added funds in the hands of the General Board both for donations and loans yet there is an increasing demand for aid so that the problem of meeting the needs does not seem to grow less but rather increases and stresses the importance of increased loan funds as well as money for straight out donations.

The scarcity of funds in the hands of both the General Board and your Conference Board reminds us of the practice of some of asking for more than they expect to receive and more than is really necessary to meet the needs of the situation. We call upon the preachers and Presiding Elders to discourage this practice. Let the applications be for the amounts actually needed.

Again, grants have been made to charges and these grants held for an entire year without the Board having any communication from such points. This means the tying up of funds that should be in use so we urge that no charge secure a grant unless that charge intends to use it at once.

This Board wishes to lend its endorsements to the Columbia enterprise

and to urge that pastors and people as far as possible lend their assistance to carrying forward the enterprise to completion.

The funds coming into the hands of your Board for distribution are smaller this year than for a number of years, making it necessary to scale all applications fifty per cent and the grants are as follows:

	Asked	Granted
Columbia Sta. Parsonage	\$500.00	\$500.00
Maryville Church	800.00	400.00
New Florence Parsonage	500.00	250.00
Rayville Church	250.00	250.00
Brunswick Parsonage	500.00	500.00
Hills Chapel	500.00	250.00
Fortesque Church	1000.00	500.00
St. Charles Parsonage	750.00	375.00
To P. T. Durham for services		50.00
On parsonage rent for Columbia Junior preacher		200.00

A number of the charges have loans now and we urge that the interest and payments on principle be met promptly that others may be accommodated and your funds kept working.

T. P. MIDDLETON, Vice-Chairman
W. L. SCARBOROUGH, Secretary

REPORT OF THE BOARD OF EDUCATION TO THE ANNUAL CONFERENCE

Report No. 1

Your Conference Board of Education submits the following:

Church Schools

Representatives of our Church Schools have been heard, and their reports have been read. They have met the requirements of the Conference for detailed reports. We are glad to know that the outlook is for increased attendance, but we regret to learn that it is likely that one hundred will be turned away from Central College for lack of accommodation.

We recommend that the proposition of Howard-Payne College to borrow one hundred thousand dollars and issue bonds therefor for the purpose of paying the balance on the former indebtedness and erecting a new dormitory, and to execute a deed of trust on the College property to secure payment of said bonds, be ratified:

However, we regret the action of the Board of Curators in incurring this obligation prior to the proposition being submitted to the Annual Conference for its approval, and we recommend that the Conference require in the future that no obligation, involving the issuing of bonds or placing mortgage or lien on our church property, be incurred by the Curators of any of our Conference institutions without first obtaining the consent of the Conference.

We are especially glad to learn of the great interest in Missions at Southern Methodist University, and of the great spiritual movement that has swept the institution.

Commission on Student Work at Columbia

You have heard and acted upon the report of the Commission on Student Work at Columbia. We rejoice in the great opportunity that is opening there.

Appointments to Schools

The Board recommends that the Conference request the appointment of the following to schools:

Dr. Paul H. Linn as President of Central College.
W. M. Alexander as President of Howard-Payne College.
Dr. O. E. Brown as Dean of Vanderbilt School of Religion.
F. A. Culmer as Professor in Central College.

R. D. Swinney as student at Yale University.
R. C. Mayo as student at Central College.
W. C. Middleton as student at Central College.
E. H. Farmer as student at Yale University.

The Board recommends the following appointment of B. D. Sipple as agent of Central College without salary.

We recommend for election as Curators:

Central College—

L. W. Jacobs, to succeed himself, for a term of four years.

B. Marvin Harris, to succeed J. L. Hammett, deceased, for a term of one year.

Preacher's Institute—

W. L. Scarborough to succeed S. W. Hayne, transferred.

Christian Education Movement

Your Board has had under consideration reports concerning the Christian Education Movement from the General Board of Education, and from the Conference Educational Secretary and respectfully offer the following recommendations:

Report No. 2

First. We are gratified at the splendid progress that has been made towards the attainment of the five objectives of the Christian Education Movement. When all the conditions are taken into account, we believe that what has been accomplished is little short of marvelous. It is a great tribute to the faithful service and loyalty of the preachers and people participating.

Second. We desire to emphasize that the campaign is not closed. If our institutions needed \$33,000,000 a year ago, the Movement has multiplied that need by awakening in our people a desire for Christian Education. Our schools last year turned away 5,000 for lack of facilities; they have probably lost 10,000 this year for the same reason. We are, therefore, in the midst of an incompleting task. Every charge in Methodism has been assigned a definite part in a great co-operative effort of the Church to solve its educational problem.

Third. We recommend that the presiding elders in the first round of quarterly conferences in the question "What is being done for Christian Education?" secure accurate reports from pastors and charge collectors or

directors concerning the quota and the amounts already subscribed and concerning the general economic condition of each charge. We further recommend that, wherever practicable, arrangements be made to finish the every member canvass if same has been already begun and in case no canvass has been made, that one be inaugurated as soon as may be expedient.

Fourth. We recommend that the Conference request the appointment of C. S. Rennison as Conference Secretary of Education, to give his full time to the work.

Fifth. We recommend that our people pay promptly their educational subscriptions when they fall due, that pastors and presiding elders urge prompt payment in every way possible, and that as most subscriptions fall due November first, we fix the first week of November as Pay-Up Week. The schools and colleges of our Conference are sorely in need of money and the co-operation of pastor, presiding elder and people is urged in an effort to secure the prompt payment of pledges.

Sixth. We recommend that if Church Collectors in any charge or charges have not been appointed they should be appointed by the first day of October, subject to the ratification of the first Quarterly Conference.

Apportionments

The Board has made apportionments as follows:

Central College	\$1300.00
Central College for Women	250.00
Howard-Payne College	250.00
Lectures at Conference	50.00

These amounts to be paid out of funds on hand.

Preachers' Institute	300.00
Student Work at Columbia	900.00

Of this, \$800.00 is to be used for the Student Secretary, and \$100.00 for procuring some outstanding speaker for a series of addresses to the students, to be returned if not used for that purpose.

These amounts to be paid from the balance on hand and the ensuing year's collections. We regret that we must lessen the appropriation to Central College, but we have \$450.00 less in hand than last year, and \$128.00 has been spent for the expenses of the Columbia Commission.

We recommend that each of our Colleges be required to furnish to the

Conference Board a detailed statement of receipts and disbursements, including salaries.

REPORT OF THE BOARD OF MINISTERIAL EDUCATION OF THE MISSOURI ANNUAL CONFERENCE

In view of the fact that so many cases needy and worthy are applying to the Board of Ministerial Aid for help each year we would urge upon our pastors the necessity of calling the attention of our people to this open door for placing their money where it can be used for the preparation of young ministers to preach the gospel.

Gifts of any sum may be placed in the hands of this Board with every assurance that the money will be used in assisting our young preachers in their preparation for their life's ministry.

REPORT OF THE SUNDAY SCHOOL BOARD

Dear Brethren:

We beg leave to report concerning the work of your Board, as follows:

The activities of the Sunday School Board have been pursued under difficulties. The Christian Education Movement has had the right of way throughout the year just closing. Also the field secretary was new at his work, and hence had to feel his way until able to familiarize himself with the details of the task at hand.

A number of objectives were decided upon at the last conference. The realization of which has been the ideal before us the past twelve months. Realized in part only. But the cause has been helped materially.

Mr. R. Wessner, field secretary, has proven himself to be a practical Sunday School man. He has spent the year in the field, giving his time to visiting Sunday Schools in the towns and open country, holding institutes, making addresses, giving wise and practical counsel on the problems of the Sunday School work, distributing literature, writing letters, and in

many ways co-operating with presiding elders, pastors and the faithful people who keep the Sunday School going.

A resume of his work follows and speaks for itself:

New schools organized, 5; Training Classes organized, 18; Number of students, 235; Individual Students taking training courses, 15; Credits awarded, 63; Centenary Specials assigned, 19; District Conferences attended, 9; Districts reorganized for work, 9; District Institutes held, 3; Circuit Institutes organized, 4; Circuit Institutes held, 7; Elementary Institutes, 3; Meetings with District Officers, 4; Other Conferences attended, 2; Wesley Bible Classes organized, 96; Sunday Schools personally visited, 64; Total schools reached by all methods, 163; Total workers reached by all methods, 1840; Addresses made, 102; Pieces printed matter sent out, 7415; Circular Letters sent, 888; Personal Letters, 404; No. Miles Traveled, 10524; Items sent to St. Louis Christian Advocate, 32.

Mr. Wessner will be continued in the field. Call upon him for help in your Sunday School work. His address is Dalton, Mo. Make liberal use of him in his specialty.

We are gratified to note the increasing number of schools observing Sunday School Day, with an offering taken and remitted to the Conference Teller, Rev. J. A. Medley, Columbia, Mo. Let all schools in every charge observe the day in 1922. This would be a great and fitting evidence of wide awake interest in the cause.

We appreciate the interest with which the above report was received by the conference. The Board also acknowledges itself under obligation to Dr. Emmett Hightower, of the General Board, for his presence in the meetings of the Board, and for his live address before the conference.

We must call attention to the vast quantity of valuable Sunday School literature issuing from our own Publishing House. We request our Sunday School leaders to be on the watch for the new Sunday School papers, three in number, to be issued beginning with the first of the year, and taking the place of The Visitor. Every wide-awake Sunday School will need all three of these papers.

Finally, brethren, let all who love the Sunday School conspire together to make this the best year of the quadrennium.

REPORT OF THE EPWORTH LEAGUE BOARD

The Missouri Conference Epworth League Board respectfully submits the following report:

We feel very much gratified over the reports of the pastors for the current year, inasmuch as they demonstrate in actual figures that a remarkable work has been done in the Epworth League department of the church. We have 4267 members, an increase of 592 over last year's report. We

have raised for Missions \$1938. On Anniversary Day there was contributed \$222. We have raised for other objects \$4737, making a total of \$6897, through the Epworth League for religious purposes.

The church is seeking for leadership in church work, therefore we heartily recommend to you the opportunity which the Junior and Senior Epworth Leagues afford in finding and training the young people of the church, and inspiring them to seek a place of special service for the Master. We recommend that ample provision be made by each pastor in his program for the work of his church that he give careful consideration to the interests of the Epworth League.

Whereas the second Sunday in May has already been established by the Discipline, providing for the observance of Anniversary Day, not only where there are Leagues, but in every congregation, we urge that every pastor strictly follow this Disciplinary requirement. Also that an offering be taken and sent directly to the Treasurer of the Conference Epworth League, Mr. C. J. Patterson, McCredie, Mo., which action is specified by the article in the Discipline referred to above.

We recommend that the Social Service Department of the Epworth League include in its activities special effort on behalf of the Wesley House situated at St. Joseph, Mo.

We call special attention to the educational value of the Epworth Era in promoting the various phases of the Epworth League work and recommend that it be brought into all of our Local Chapters and placed in the hands of every Leaguer.

Furthermore a very few of our Epworth Leagues are now meeting the efficiency standard suggested by the Central Office. Therefore we urge the co-operation of the pastors be given the Conference League officers in their efforts to promote efficiency and let each Local Chapter strive to conform to the requirements of the Standard of Efficiency.

Realizing the value of a Conference assembly point that is accessible to the membership of the entire Conference the Epworth League Board anticipates making a special study of conditions during the next Conference year. We earnestly request the co-operation of all pastors and presiding elders in assisting us to gather material and study the problem.

REPORT OF THE BOARD OF CHRISTIAN LITERATURE—No. 1

Dear Brethren: The report of the trustees of the St. Louis Christian Advocate has been before us. The report shows that the Advocate is now the property of the three Missouri Conferences, held in trust for them by nine trustees elected by the Annual Conferences. The Advocate, notwithstanding the unfavorable financial conditions closed the year with a balance of \$190.00. The resignation of Dr. A. F. Smith who has so ably and efficiently served as Editor for three years has been accepted and Dr. George B. Winton, one of the ablest editors in the church, has been elected his successor with Rev. C. O. Ransford as associate editor.

We wish to express to Dr. A. F. Smith our appreciation of his splendid work and congratulate the Board of Directors upon their rare good fortune in securing Dr. G. B. Winton and Rev. C. O. Ransford as editors. We request the appointment by the presiding Bishop of Rev. C. O. Ransford as Associate Editor.

The necessity for increasing to and maintaining at 15,000 the number of paid subscriptions is the imperative need of the Advocate. We desire to offer the following resolutions:

Resolutions

1. An assessment of Fifteen Hundred Dollars (\$1500.00) is hereby made for the support and maintenance of the St. Louis Christian Advocate, to be apportioned among all the charges in the usual way.

2. It is hereby declared to be the sense of the Missouri Annual Conference that the number of subscribers to the St. Louis Christian Advocate be increased to fifteen thousand (15,000) and maintained at not less than that number at all times.

3. The Missouri Annual Conference assumes the obligation to obtain enough new subscribers to the St. Louis Christian Advocate to make the entire number within its bounds 6,000, and the further obligation to maintain the number at 6000 at all times by securing renewals from existing subscribers as their subscriptions expire.

4. The number of such subscribers apportioned to the different districts, respectively, is as follows:

Chillicothe District	568
Fayette District	716
Gallatin District	450
Hannibal District	616

Macon District	643
Mexico District	775
Richmond District	754
St. Charles District	608
St. Joseph District	870

5. The presiding elder and the board of district stewards, at the same time they apportion other conference collections, are requested to apportion the district's quota among the various charges in the district, and it is hereby declared to be the obligation of said charge to maintain its said quota of subscribers at all times by securing enough new subscribers and renewals of existing subscribers to make the amount of money paid in subscription during the year equal to twice the number of the charge's quota.

6. The month of November is hereby declared to be St. Louis Christian Advocate month, and during that month each pastor is requested to present the cause of the paper to each congregation in his charge, and make whatever effort is necessary and appropriate to secure the charge's quota of subscribers.

REPORT OF THE BOARD OF CHRISTIAN LITERATURE. No. 2

Dear Brethren:

The report of the agents of the Publishing House presented to us shows that progress has been made in the distribution of Christian Literature. This has been particularly true of the Sunday School literature.

We urge our membership to avail themselves of the opportunity to secure the high class service of our Nashville Christian Advocate, the Quarterly Review, the Epworth Era and the Missionary Voice. These publications ought to have even wider circulation than they now have.

REPORT OF THE BOARD OF THE AMERICAN BIBLE SOCIETY

To the Bishop, and Members of the Missouri Conference, of the Methodist Episcopal Church, South.

Dear Brethren:

We, your Board of the American Bible Society, beg leave to submit the following report:

We believe that the Scriptures themselves make the most effective missionary appeal ever known to mankind. Never before was there a time when the world needed the message of the Bible as today. Also, the Bible is the greatest Americanizing factor in these days when the Americanization of the foreign element in our country is such a vital need.

The industrial, social, and political conditions of the nations of earth are in such an unsettled state as to challenge the best efforts possible for the extension of the Kingdom. We believe that the Bible will settle all difficulties and that all men stand in need of the light and life which it alone supplies.

The safety and future of our national life, and our children depend entirely upon the righteous life as it is in Christ. This cannot be effectuated without the increase in the circulation and more earnest reading of the Bible.

We urge our brethren to pray for a greater hungering for the Bible among our people, and that they undertake to supply those who have not the book. The American Bible Society has free copies for such purpose.

It is with great pleasure that we call the attention of the Conference to the contribution of \$835.00 from our Conference to the support of this cause yet this amount is inadequate to meet the needs of this great cause and does not by any means express the interest of our people in the work of the American Bible Society.

In the words of John G. Patton we urge that our brethren "hold up the Book," and preach the Word of God.

REPORT OF DISTRICT CONFERENCE RECORDS

Dear Brethren: We, your Committee on District Conference Records, beg leave to make the following report:

The records of the Chillicothe, Fayette, Gallatin, Hannibal, Macon and St. Joseph Districts are neatly kept and are complete in every detail.

The Mexico, Richmond and St. Charles District Records were not before the committee. We have made careful inquiry from the secretaries of these respective district conferences, and they advise us that their records are kept neatly and conform to all requirements. We greatly regret that all records were not before the committee, and we wish to urge that all records be submitted to the committee next year.

Your committee wishes to advise that they will submit recommendations to the various district conferences next year with view of uniformity of records and in view of preserving the records. We have made inquiry from several of the district secretaries and are advised that they have only the present record book which is in use. The records of the district conferences of several decades ago have either been misplaced or lost. We believe that these records are of great value to the district and to our church and should be carefully preserved. For this reason we hope to submit some recommendations to the district conferences next year for their consideration and action.

REPORT OF BOARD OF TEMPERANCE AND SABBATH OBSERVANCE

Your Board of Temperance and Sabbath Observance have had under consideration certain communications from the Near-East Relief Committee and the Lord's Day Alliance and the Anti-Saloon League, and submit the following report:

- First. Near East Relief.
- Second. Sabbath Observance.
- Third. Temperance.

Resolution Passed at the Missouri Conference of the Methodist Episcopal Church, South, at Hannibal, Mo., Sept. 5, 1921.

Whereas, reports from the Near East show continued suffering from

lack of necessities of life among the Armenians, Syrians, and other peoples of the Bible lands, and

Whereas, more than 100,000 orphaned children would face immediate starvation were it not for food supplied by America, and

Whereas, American philanthropy, led by the church, has saved these children, and hundreds of thousands of adult refugees, and

Whereas, any withdrawal of this support would endanger not only all of these lives, but would literally menace the cause of Christian civilization in those lands, and

Whereas, the Near East Relief has proved by its records, and particularly by the fact presented in the recent annual report to U. S. Congress by which it is chartered, that it is a thoroughly reliable and efficient organization;

Therefore, be it resolved; That the Missouri Conference of the Methodist Episcopal Church, South, approve the effort to save the lives of the orphan children of the Near East and to rehabilitate through them their nations;

That we give to the Near East Relief our unqualified endorsement and co-operation;

That we call upon the people of local churches and their organizations to pray, work, speak for this cause, and give to it according to their ability.

That we encourage co-operation by Methodist Episcopal South churches in every manner that may seem feasible.

Resolutions for Sabbath Observance Committee

For Adoption by Missouri Annual Conference, Methodist Episcopal Church South

Resolved, that the desecration of our Lord's Sabbath Day is imperiling the safety of our nation. Working for profit seven days in the week will destroy the religious life of any man, state or nation.

As a nation, just as well as states, cities and individuals, we should recognize the Sabbath as God commands; and we should not license or permit city, state or inter-state, or national business for profit on Sunday. It is now enslaving millions, and teaching to millions more the satanic slavery of Sabbath breaking. Our government should not use physical force to make men pray, nor study the Bible, nor go to church, but it

should see that a Sabbath day's rest is secured by law to every person under its jurisdiction. This is necessary for our physical, moral, and financial growth and safety; as has been preached by our best statesmen and decided by our United States Supreme Court, and by our States' Supreme Courts for generations past. A nation that violates the Sabbath regularly is as sure to go to ruin as that Israel went to Babylon and Continental Europe to war.

We hereby approve the national Sunday law proposed to our President and Congress July 14, 1921, by Noah W. Cooper and others, as committee from our Tennessee Annual Conference and eighteen other annual conferences of our Methodist Episcopal Church South, to stop all interstate Sunday trains, newspapers, mails and Federal work for profit, and secure a Sabbath day's rest for all. We urge the co-operation of all Christians. We urge all our preachers and members to preach and to practice scrupulous obedience to the Sabbath commandment.

The Sabbath is God's day of rest for all to lay aside all worldly, money making pursuits and to teach religion in our homes, in public meetings, to children and to all. To neglect this prime duty, as is being so generally done, means death to our dearest hopes, liberties, treasures and nation. We must act now, or soon it will be too late.

We request our General Conference, meeting at Hot Springs in 1922, to indorse the said proposed National Sunday Law, presented to Congress July 14, 1921, as above stated and to take suitable action to have this Sabbath Saving Crusade carried on to righteous victory in public sentiment and public law throughout our nation; and through us to all people, as God commands and as our Versailles Peace Treaty urged upon all nations.

We request that our delegates present a copy of this resolution to our General Conference as a memorial from us.

Never in the struggle against giant iniquity of the liquor traffic was the war so fierce and the advocates of rum so determined as at the present to discount prohibition and bring the days of old. A national organization has been formed at Washington, D. C. with a Mr. W. H. Stayton as president. Thirty-eight state organizations under the national have been formed. The one for Missouri is called "The Good Fellows of America." They have their headquarters at rooms 202 and 3 Miner Building, Kansas City. The National President has made the assertion that by the time of the primaries and election of 1922 they expect to have more than 2,000,000 members. At this time they will make their first real effort to elect repeal members to the State Legislature and to the National Congress.

A nation-wide propaganda is being carried on through the press and picture shows to discredit the 18th Amendment and create sympathy for

those who are violating the law, and making the decisions of the courts ridiculous. There is an amply financed program to drag every case through the courts, thus securing to a large degree immunity for the criminals and making it increasingly hard for the good citizens to make any headway and the church to realize her dream of a sober nation.

The church's organized activities against this evil are carried on by the Anti Saloon League with such men as the church is placing upon the board of directors. So effective have been the efforts of the League that the President of the Association against Prohibition charges the Anti-Saloon League has been the cause of the deplorable condition now distressing the country and so effective have they considered the methods of the League that they boldly and openly say they will adopt in the coming fight the methods of the Anti-Saloon League. With the enemies of the church on the wet side of this fight, recognizing the efficiency of their own organization it behooves the church to stick closely together and see that it is not hindered in any way to fight efficiently:

Resolved, therefore that the conference elect to the State board of the Anti-Saloon the following: J. J. Reed and M. E. Lawson;

And further, that we continue to keep our pulpits open to the representatives of Anti-Saloon League.

J. J. REED, Chairman
W. L. MYERS, Secretary

REPORT OF COMMITTEE ON MEMORIALS TO THE GENERAL CONFERENCE

The Committee on General Conference Memorials presents the following report:

The Missouri Annual Conference, memorializes the General Conference,

1. To sever and to eliminate the word "South" from the corporate name of our Church and to adopt such a word, if it be deemed necessary, instead of the word "South," as will adequately and properly define the genius and spirit of our great world-wide Methodism.

2. That the Executive Secretaries of the various General Boards and the Editors of the various connectional publications be elected or appointed by their respective governing Boards.

3. To change the law or laws relative to Episcopal membership in the various connectional Boards so that no Bishop shall be a member ex-officio of any Board.

4. To change the clause in paragraph 121 under section II of chapter III of the Discipline of 1918 which reads, "and, when requested by an Annual Conference, to appoint a preacher for a longer time than four years to any seminary of learning not under our care," so that the said clause shall read, "and, when requested by an Annual Conference, to appoint a preacher to any seminary of learning not under our care," eliminating thereby the phrase, "for a longer time than four years."

5. That the Bishops shall be required to reside within the bounds of their respective Episcopal Districts.

6. To omit from paragraph 129 under section II of chapter III of the Discipline of 1918 the phrase "as far as practicable" so that the paragraph shall read, "To travel during the year through the Presiding Elders' Districts in order to preach and to oversee the spiritual and temporal affairs of the church."

7. To elect the Bishops for a stated term of years.

8. To elect members of the General Board of Missions from nominations submitted by the Boards of Missions of the several Annual Conferences.

9. To consider the advisability of planning at once to establish somewhere in the west a great sanatorium for preachers and their families, missionaries and church members who may be suffering from the ravages of the terrible disease tuberculosis.

Whereas, The General Conference of 1918 created the General Board of Finance, and instructed it with all diligence to proceed to raise adequate Superannuate Endowment, and

Whereas, Said General Conference gave the right of way during the quadrennium 1918-22 for organized campaigns to raise many millions of dollars for the Missionary Centenary and the Christian Education Movement, and limited the effort of the General Board of Finance to secure funds for Superannuate Endowment during said period to the usual and ordinary methods of obtaining contributions for benevolent purposes, and

Whereas, The General Board of Finance during 1918-22 has found the

Church so thoroughly in the grip of the organized campaign, as stated, that it has been impossible to increase the funds for Superannuate Endowment in such measure as to provide adequate support for the Conference claimants, and

Whereas, The Conference claimants of the Church have continued patiently to suffer as they have suffered through the entire history of the Church, on account of the lack of a proper support, and

Whereas, The General Board of Finance, organized under the direction of the General Conferences, incorporated under the statutes of Missouri, and located in the City of Saint Louis, has become strongly and firmly established, thoroughly equipped and competent to handle large funds, and

Whereas, The General Conference of 1918, and the consensus of opinion of practically all other Church leaders, have, by strongest implication at least, held out the hope that the ensuing quadrennium would be given to a special effort to provide adequate support for the Conference claimants;

Therefore, Be It Resolved, That the Missouri Annual Conference hereby memorializes the General Conference of the Methodist Episcopal Church, South, to be held in May, 1922, to give to its General Board of Finance the right of way during the ensuing quadrennium, May, 1922-1926, to carry on a special effort in all of the Annual Conferences to raise a minimum of \$10,000,000.00 for Superannuate Endowment, the amount raised by the effort to be received and administered by the General Board of Finance, and credited on its books to the General Superannuate Endowment Fund and the respective Conference Superannuate Endowment Funds, according to the ratio of division to be determined.

ANNUAL REPORT OF THE WOMAN'S MISSIONARY SOCIETY

The women of the Conference are deeply grateful to our Heavenly Father who has enabled us to make such a splendid record during the past year, both in money and service, at home and abroad. The Woman's Missionary Society of the Missouri Conference submits this report for the year 1920-1921:

Adult Auxiliaries	98
Adult Members	2239
Young People's Auxiliaries	26

Members Young People's Auxiliaries	408
Children's Auxiliaries	27
Members Children's Auxiliaries	403
Foreign Missionaries' Supported	7
Home Missionaries' Supported	4
Candidates in Training	2
Wesley House, St. Joseph	1
Total reported expended for local work	\$15930.56
Total received by Conference Treasurer for Connectional Work	11740.56
Total received on Alcinda Allen Reed Scholarship	973.22
Total reported	32245.75

There has been a gradual increase in membership throughout the Conferences of our church; we are now able to report that one-fifth of the women, young people and children of the church are enrolled in the Missionary Societies. This proportion is far too small and it shall be the earnest endeavor of the officers of the Conference to seek to increase the membership during the coming year.

We can not speak too highly of the workers in the service of the Conference.

Miss Eliza Perkinson is business manager of Bennett College, Rio de Janeiro, Brazil.

Miss Eva Louise Hyde is principal of Bennett College, Rio de Janeiro, Brazil.

Miss Nina Stallings, after a year's furlow, is returning to her work at the Maria L. Gibson Settlement, Soochow, China.

Miss Bess Combs is in charge of District Woman's Work and Day Schools, Sung Kiang, China.

Miss Blanch D. Hagar is associated with others in the Evangelistic Center at Oita, Japan.

Miss Mary Searcy, living in the home of Dr. and Mrs. S. H. Wainwright, is in the Language School, Tokyo, Japan.

Miss Dora Ingram is principal of the girls' schools at Monterey, Mexico.

Deaconess Florence Blackwell is in City Mission Work at Winston-Salem, N. C.

Deaconess Mattie Cunningham serves in the Wesley House at Harts-shorne, Okla.

Deaconess Ethel Cunningham is located in the Wesley Community House at Biloxi, Miss.

Deaconess Cora Borchers is just returning to the work this fall since the death of her mother.

We feel that the number of young women who are candidates for

special service is very small when compared with our large membership. However we are deeply grateful for the large number of young people who volunteered during the educational movement. Many of these are young and must be assisted in planning and choosing their life's work.

The Scarritt Bible and Training School during the past year had its largest enrollment and found it necessary to rent apartments elsewhere to care for their student body. The school still maintains its high standard of work and we earnestly request that our pastors recommend it to all young women who are seeking to prepare themselves for greater usefulness in the church, either at home or in mission work.

The Wesley Community House at St. Joseph still continues to render valuable service in the foreign section of St. Joseph.

In behalf of the Woman's Missionary Society we most cordially thank the members of the Missouri Conference for your loyal interest in our work in the past and we earnestly request that you will continue to use your influence in the extension of our work in the home field and in the foreign land.

REPORT OF BARNES HOSPITAL

Communications from the Trustees of Barnes Hospital and the Chaplain, Rev. A. F. Smith, D.D., recently appointed, bring to your committee exceedingly important and pleasant information. Last year each of the Missouri conferences pledged co-operation in the support of a chaplain to look after the patients and nurses in religious matters. Not sufficient funds were available until late in the year. Chaplain Smith has been visiting the hospital almost daily since last June. In these three months he has made almost two thousand calls to different rooms and wards of the institution.

"It is interesting for us to know that in the year 1920, the number of patients treated was 3,643; that the total number of patients day treatment was 54118; that nearly one-fourth of the patients paid absolutely nothing for either their food or care and a very considerable per cent of others paid only in part."

There is urgent need for many more young women to enter the Nurses' Training School, and your attention is called to this fact in order that the pastors may direct suitable persons to this calling and to Barnes Hospital for training and service.

The hospital has treated thirty-two different nationalities and patients of twenty-three different religious beliefs: Six hundred and twenty of these were Catholics, five hundred and seventy Methodists, three hundred and eighty-four Baptists, two hundred and fifty-seven Jews, two hundred and twenty-two Episcopalians, three hundred Presbyterians and the remainder of other creeds.

This is just as Mr. Barnes specified in his will, nationality and religious belief do not bar a human being in his suffering from the Barnes Hospital. This institution belongs to the Methodist Episcopal Church, South, and is controlled by three laymen of said church appointed by our presiding Bishop. These trustees pay out of their own pockets a large part of the annual deficit.

One item in Dr. Smith's report is of particular interest, during the past ninety days fourteen Missouri preachers and members of their families have been patients in the hospital, and they averaged more than 10 days each, a concession of one-third of the expenses is made to the members of preachers' families. Every preacher should remember two things, first, that the Hospital needs many young women to take courses in the training school, receiving practical experience while doing this; secondly, that the authorities are anxious to serve the membership of the Methodist Church, South, and since nearly twenty-five per cent of the patients are unable financially to pay for their services our people of meagre circumstances are not debarred from this great institution, the greatest research hospital in all the West.

We recommend that \$2500 be included in the assessment on the Conference for Barnes' Hospital.

**REPORT OF THE COMMISSION ON WESTERN ASSEMBLY TO
THE ANNUAL CONFERENCES IN MISSOURI, OKLAHOMA,
TEXAS, LOUISIANA, AND ARKANSAS**

We, the Commissioners appointed to represent the Methodists of Missouri, Oklahoma, Texas, Louisiana, and Arkansas, in their purpose to establish an Assembly west of the Mississippi River, met at Forth Smith, Ark., March 17 organized and adopted a paper setting forth our plans and purposes, and appointed an Executive Committee to study the situation, receive propositions, and submit them to the whole Commission at an early date.

After the nature and magnitude of the enterprise became known, it created much interest. Some twenty places negotiated with the Executive Committee. Of these, fifteen were considered June 21. The committee visited these and eliminated six largely on account of their distance from the center of our territory. Other commissioners visited the nine selected for further examination, and the Commission met at Fayetteville, Ark., August 25, and having heard representatives of the several communities, decided that, in view of the different types of location and propositions, five, namely, Neosho, Mo. and Fayetteville, Mt. Magazine, Rogers, and Siloam Springs, Ark. were worthy of fuller consideration with a view to discovering before final action, all the details of water supply, health, climate, value of property, and other environmental particulars so that mistakes might be avoided.

The propositions range from 200 to 2000 acres, some with cash bonus of \$10,000 to \$25,000, and each worth from \$50,000 to \$100,000. We confidently believe that out of these choice locations (and others that may be investigated) a highly desirable site may be secured with a total initial value of \$100,000 to \$200,000. In addition to what the selected community may pay, we have reason to believe that, as soon as the location is definitely settled, we have large-visioned men who will contribute liberally, and when choice lots are offered, from \$200,000 to \$400,000 may be realized from their sale.

As the question is studied the conviction deepens that there is a positive and growing need for this enterprise and that it can be developed to proportions hitherto unsuspected. We feel that this is our day of opportunity and that the interest and enthusiasm awakened, should not be lost, but that we should take the steps necessary to launch the movement and carry it to complete success.

In order that there may be perfect harmony of plans, we recommend that each Conference adopt the following resolutions, which are intended to safeguard every interest:

The Missouri Annual Conference of the Methodist Episcopal Church, South, resolves:

(1) That an Assembly west of the Mississippi River is needed by our people and should be established as speedily as practicable.

(2) That it should be so organized and developed as to care for the summer, or vacation, activities of our Sunday School, Missionary, Epworth League, Educational, and other social and recreational interests.

(3) That we appoint C.O. Ransford and Robert McIlroy as commissioners, who, together with two others from each of the patronizing Conferences, shall be empowered to organize and to select a suitable site, making necessary contracts with communities and parties affected, but to create no financial obligation until further authorized by these Conferences.

(4) That deeds to property should secure it to our Church, but assurance is hereby given to the people whose offer may be accepted that their rights and interests shall be protected as far as is proper under the law of the church, and that this Conference will support and encourage this Assembly so far as is consistent with other obligations.

(5) That the Commissioners are authorized to procure such charter as may be legal under the laws of the States and the rules of the Church, and to appoint such trustees as may be by law required, provided that the Conferences shall have the right to approve and appoint trustees so that the Assembly shall always be under the control of our church.

(6) That while it is desirable that the proposed Assembly should open within two years, nevertheless its magnitude and importance require that every step be taken with due deliberation.

The following Commissioners were present and were unanimous in agreeing to this report: Rev. A. B. Culbertson, Macon, Mo.; Rev. J. B. Swinney, Windsor, Mo.; L. D. Murrell, Marshall, Mo.; Rev. R. L. Russell, Nashville, Tenn.; Rev. J. H. Ball, Shawnee, Okla.; Rev. J. R. Abernathy, Okmulgee, Okla.; Rev. Forney Hutchinson, Oklahoma City, Okla.; Rev. A. L. Moore, Memphis, Texas; Rev. W. H. Matthews, Ft. Worth, Texas; Rev. T. F. Sessions, Georgetown, Texas; Rev. D. H. Hotchkiss, Navasota, Texas; Rev. W. T. Whiteside, Terrell, Texas; Rev. G. S. Sexton, Shreveport, La.; Rev. F. S. H. Johnston, Conway, Ark.; Rev. A. C. Millar, Little Rock, Ark., and G. C. Hardin, Fort Smith, Ark.

MEMOIRS

REV. HENRY COLLINS BOLEN

In the mid-afternoon of Monday, November 8, 1920, at Callao, Mo., Rev. H. C. Bolen, of the Missouri Conference, having served his generation by the will of God, fell on sleep. Funeral services were held in the church at Shelbyna, Wednesday morning, November 10th, being conducted by the pastor and the presiding elder, Rev. J. M. Bone, much appreciated tributes being paid to his memory by Brothers Culbertson, Robert White, McKee, Marion Moore, and Wharton, pastor of the Christian Church at Monroe City. The burial took place the following day at St. Joseph, several ministerial brethren likewise participating in the service there.

Brother Bolen was born in Randolph County, Mo., February 10, 1846. Here he spent his youth, excepting two years given to the Confederate Army, until, in September, 1875, at the age of 29 years, he was admitted on trial into the Missouri Conference. For forty-four years he labored with a fidelity and zeal never surpassed in our history, serving the following charges: Bucklin, Chillicothe, Maryville, St. Joseph Circuit, Plattsburg, Carrollton, Savannah, Dearborn, Rock Port, Olive Street, Shelbyna and Monroe City. The multitude of souls converted and received into the church under his ministry constitute the seal of his apostleship.

Brother Bolen was twice married. His first wife, Martha Frances Creighton Bolen, to whom he was united in 1867, was the mother of his eight children. After thirty-five years of faithful itinerant service, she passed to her reward at St. Joseph, May 26, 1910. On September 26, 1916, Brother Bolen was united in marriage to Mrs. Jessie Crawford, of Shelbyna, Mo., whose devout companionship and labor in the Lord during his pastorate at Monroe City and his year of retireemnt at Shelbyna have left a very precious memory in those communities.

Brother Bolen's distinctive contribution to the church and to the people he served is in his profound religious experience and eminent piety. Some are leaders of thought, others of public enterprise; a preacher and

organizer of no mean ability, Brother Bolen was pre-eminently a man of God. In a day when men so easily forget God, one could not meet Brother Bolen without thinking of Him. His religious experience, beginning with his conviction of sin while in the army, was deep and clear; and every community within the range of his ministry was mightily impressed with the reality of it. It dominated every feature of his ministerial work—and he had no other work. His preaching was full of it, his untiring pastoral visitations abounded in it. Everywhere he was revered as the man who walked with God.

Brother Bolen achieved remarkable success in communicating his religious life to the members of his family. Amid the severe privations of their itinerant experience, he and his sainted wife solemnly dedicated their eight children to God; and every child—one died in infancy—has ratified and confirmed their deed. John, Guy and Miss Bettie Bolen, of St. Joseph, Mrs. Marion Moore of the Missouri Conference, Mrs. H. P. Williamson of Carrollton, Mrs. James A. Veasey of Tulsa, Okla., and Mrs. S. G. Stewart of Harrisonville, constitute an offering to the church and to God worthy of the saintly parentage from which they have come.

It was my privilege to be associated with Brother Bolen during the last year of his life. Upon his superannuation in 1919 he and his devoted wife returned to Shelbyna, where for three years he labored with an enthusiasm and an efficiency that challenge the energies of younger men. Devoutly grateful are the Shelbyna Church and community that he paused with us for these brief months before passing over. The inspiration of his prayers, his fatherly interest in his pastor, have rendered this final year a very sacrament. On Sunday, November 7th, he preached both morning and evening at Callao, where he remained the following day, expecting on Tuesday to bury the remains of one of his members at that place. Having been occupied during the day with pastoral duties, he came in the afternoon to the home of his kinsman, Brother Wesley Brown, and sat down to rest. Within a few minutes the weary heart stopped beating and the venerable servant of God had gone home in triumphant peace.

"And I heard a voice from heaven, saying unto me, 'Write, blessed are the dead which die in the Lord from henceforth: Yea, said the Spirit, that they may rest from their labors; and their works do follow them.'"

CAROL V. LANIUS.

REV. J. W. RAMSEY

Rev. James W. Ramsey was born June 20, 1848, in Monroe county, West Virginia. He came of strong Christian parents, who were members of the Methodist Episcopal Church, South. This Christian parentage was manifested in the life of their son, who came to know God very early in life and grew up a man of God. He was converted in 1867, in a little

country church in West Virginia. He marked this date as the time of his conversion, though he had always read the Bible and been prayerful. His religious life was rather even, coming to know God so early he was protected from the gross sins of the world, and was always pure and clean in his physical life and grew brighter and brighter in his spiritual life until God called him to his great reward.

Bro. Ramsey was licensed to preach in 1869, by a Quarterly Conference of the West Virginia Conference. The same Quarterly Conference recommended him to the Annual Conference for admission on trial. He was received into the Annual Conference in 1873, and was ordained Deacon by Bishop W. M. Wightman, in 1875, and two years later was ordained Elder by Bishop J. C. Keener.

September 3, 1878, he was married to Miss Annie Brawley, and they have the following named children: Wm. Ramsey, Stella, H. B. and T. D. Ramsey, all of whom, with their mother are living.

Bro. Ramsey's active ministry covered a period of forty-eight years, during which time there were upwards of twelve hundred people received into the church. There are men who boast of their power over men and lightly speak of how they have used men to further their own influence, but this servant of God used his powers to turn men heavenward. What a splendid congregation would the twelve hundred converts make; how wide is the influence of such a host of Christian people? Only in heaven can we learn of the power of such a life.

Brother Ramsey served in the hard days, when the preachers' salaries were small, yet he faced the task that God had given him and never complained of his lot, but served the hard places as well as the easy ones. He was a strong preacher and always delivered a strong, helpful message. He knew how to explain and teach God's Word in such a simple way that the children could understand and appreciate his message. He was especially strong in prayer; how he could pray, it would seem the very heavens opened to his call. He could warm and inspire a service by his wonderful gift of prayer.

He served the following appointments in the West Virginia Conference: Wayne circuit, two years; Hurrican Bridge circuit, three years; Barboursville circuit, two years; Gyandott station, three years, and Salisbury Circuit, one year. Coming to the Missouri Conference he served the following appointments: Richmond station two years, Clarksville circuit three years; Sturgeon circuit three years, Salisbury station four years, Shelbina Circuit two years, St. Charles station two years, Fulton circuit four years, Auxvasse circuit two years, Triplett circuit two years, Elmo circuit two years, Triplett circuit again three years, McCredie circuit two years, Jonesburg four years. He superannuated in 1919 and moved to Auxvasse, Mo., to a beautiful little home given him by his children.

As a Christian, Brother Ramsey was a splendid example of a true follower of Christ. His bright face and cheerful disposition made him to be loved by all who knew him. In Auxvasse he was loved by all denominations and was invited to preach in all the churches of the town.

His call came on March 17th last, after a brief sickness. He died in Omaha, Nebraska, where he had gone to be treated. His funeral was conducted at Clarksville, Mo., by A. C. Stormont, the pastor of his wife and daughter. Those of our brethren present were G. A. Chadwick, who led the prayer, L. C. Maggart and Marvin B. Harris. After the service the Masonic Fraternity took charge of the remains and officiated at the grave.

"Thou art gone to thy rest brother,
We will not weep for thee,
For thou art now, where oft on earth
Thy spirit longed to be.
Thou art gone to thy rest brother;
Thy toils and cares are o'er,
And sorrow, sin and suffering,
Can never harm thee more.

"Thou art gone to thy rest brother,
Death had no sting for thee,
For thy dear Redeemer's might
Had gained for thee the victory."

A. C. STORMONT.

MRS. D. R. McBEE

Mrs. Anna L. McBee, daughter of Jefferson and Elizabeth Leakey was born in Carroll county, Missouri, March 2, 1856. She passed to her reward at Durham, Mo., Dec. 30, 1920, aged 64 years, 9 months and 28 days. She was united in marriage to Rev. D. R. McBee, October 24, 1876. To this union were born two children, David J. McBee, who passed away in 1894, and Mrs. J. W. Slade, who is also the wife of a faithful Methodist preacher. Sister McBee was converted under the ministry of Rev. J. L. Meffert at the age of 17 and united with the Methodist Episcopal Church, South. The deceased moved with her husband in the fall of 1891 to Kansas where Brother McBee began his work as an itinerant Methodist preacher. From that time on she was the faithful helper and support of her husband in all his work.

The writer of this obituary knew her in 1885-1887 when he was her father's pastor. It was also my privilege to visit her a number of times and pray with her during her last illness. She was very ill for many months, but bore her sufferings with Christian fortitude to the end.

Her body was taken to the old New Hope Church in Ray county where they laid her to rest. Brother G. C. Beery conducted the service.

"Servant of God, well done,
Rest from thy loved employ.
The battle fought the victory won,
Enter thy Master's joy."

JOHN H. HUBBARD.

MRS. JOSEPH S. ALLEN

Tabitha Susan Allen was born at Wentzville, Mo., Aug. 25, 1840, and died at Mexico, Mo., Dec. 30, 1920, aged 80 years, 4 months and 5 days. She was married to Rev. Joseph S. Allen of the Missouri Conference in February, 1862, and became the mother of three daughters, two of whom died in infancy, the other, Miss Annie Allen, lived until she attained the age of young womanhood and then died. From the time of her marriage until the death of her husband, which occurred June 21, 1895, she was the faithful wife of a Methodist preacher, and his great success as a pastor and presiding elder was in no small measure the result of her faithful devotion to him and his work. As one expressed it, "She was a great help to him, and they were perfectly devoted to each other, and to the Lord and the church." Now they are together, parents and children, in that "home not made with hands, eternal in the heavens." The body was brought from Mexico to Wentzville on Sunday, January 2, 1921, where, after funeral services at the Methodist Church at 10:30 a. m., conducted by the pastor, it was laid to rest by the side of her husband and children in the Wentzville Cemetery. The large audience at the funeral and the beautiful floral offering bare testimony to the high esteem in which she was held by her many friends and relatives.

E. W. REYNOLDS.

MRS. FRANCES MAUDE BAKER

Frances Maude Baker (nee Belshe), daughter of Thomas M. and Evaline Elgin Belshe, was born in La Plata, Mo., Dec. 26, 1875, and departed this life in Kirksville, Mo., April 3, 1921. She came into this world on Sunday and left it on Sunday. Her going was on the wings of a departing Easter time and hers was the Easter faith and hope.

The years of her childhood were spent in La Plata where she received her education in the public school and added to this was that higher and nobler education and training in those virtues which are fundamental to every life and which come only to those who are blessed with a consecrated home. These virtues become more precious treasures than rubies or diamonds and more valuable than silver or gold. They grew in her life and

bore fruit for the Master's Kingdom. Through religious conviction and devotion she was lead early in life into the active work of the church. It was while busy about the Master's work—and it was meat and drink for her to do His will—that she met Rev. Ward M. Baker, who later became her pastor. Together they planned and labored in their chosen field, as only those can who have caught the Christ spirit and felt His call. While busy here and there in the vineyard of the Lord they decided to cast their lots together in life. So on June 3, 1896 they were married, pastor and organist, Rev. W. W. McMurry officiating. For almost twenty-five years they walked together, sharing each other's joys, bearing each other's sorrows. As they toiled together during these happy years she was the guiding star, the inspiration, the help-meet and the power behind the throne, which contributed largely to the successful ministry of her husband. But few can accommodate themselves as she could to the various activities of the church. She could conduct the choir, preside at the organ, fill her place in the Missionary Society, teach the Sunday School, organize and direct the young people in their activities of church work.

Her last social function was to entertain her class of girls the evening before she left home. Sister Baker was truly a member of the itinerancy for the church and for the Kingdom. The greatest interest of her life was the support of her husband in his work, and that not for their advancement, but for the joy of service. Without reservation she dedicated herself to a life of service and sacrifice through the itineracy, realizing that such a course imposed limitations for herself and family, but consciously happy in the thought of the larger advantage for the Kingdom. There came into the home of this happy couple two children to sweeten their lives and enlarge their vision: Florence Adela and Robert Luther. These children of strength and character are a monument to her skill in guiding in the sacred things of life and home. They have not despised the rich heritage which fell to them, but rather, they have taken up the lines, championed the cause for which their parents lived and served, and have gone out to take their places in the world, to help as builders of a nation. The hospitality of Sister Baker's home was free. You were always welcome and made to feel at home there. For the immediate home circle there was a mother's devotion and toil, a mother's guidance and leadership through love bestowed. The spirit which this good woman possessed was evidenced in the last experience of her life. With a desire to become strong in body that she might be more helpful in her home and in the work of the Kingdom, she submitted to an operation. She deliberately planned the way which, unfortunately, issued in death. In this last struggle and effort for life the spirit that had always prevailed and characterized her life prevailed again, and she went into it, as her husband said, "As brave as a soldier and as sweet as an angel." If love, kindness, devotion to duty, faith in life and in God are the real things, then she wore the garments of eternal worth surpassing far the purples and fine linens of earthly chests.

It may be well said of her, "She hath done what she could." Her earthly pilgrimage is finished, but the holy influences which were set in motion by her life will live on in the lives of others. She being dead yet speaketh: "And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, sayeth the Spirit, that they may rest from their labors; and their works do follow them." Her implicit faith and hope was in a Redeemer who is the resurrection and the life.

"Death hides, but it cannot divide;
They are but on Christ's other side;
They are with Christ, and Christ with me;
In Christ united still are we."
They are the only dead;
The dead live—nevermore to die;
And often when we mourn them fled,
They never were so nigh."

Her husband, two children, her father, her sister, Mrs. Staples; her brother, E. L. Belshe; two half-sisters, Mrs. W. C. Walden and Miss Pauline Belshe, and many friends are left to mourn her loss.

The funeral services were conducted by the writer, assisted by John T. Hardman and H. D. Marlin.

Her body sleeps in the cemetery at La Plata to await the resurrection morn when the dead in Christ shall rise.

J. M. BONE.

SARAH D. BELL

Mrs. Sarah D. Bell was born near Rocheport, Mo., Sept. 1, 1839, and departed this life from her beautiful home in Fayette, Mo., Aug. 9, 1921, at the age of 81 years, 11 months and 8 days. Mrs. Bell's maiden name was Ridgeway and she was married to Rev. W. F. Bell, April 1, 1861. She became the mother of eight children and five of these survive her.

She was converted in early life and walked in blessed fellowship and consecrated service with her Lord for more than three score years.

As the wife of an itinerant preacher whose work kept him away from home for days and weeks at a time she was called upon to accept great responsibility, toil and sacrifice and endure lonely vigils waiting his return, but in it all our Sister counted it a great honor and joy to be in the service of her Master.

She was a home maker in the truest sense of the word, therefore she made a happy home and with an untiring devotion cheered her husband on to heroic service for the Master they both loved.

She was of the quiet type, wholly unassuming and deeply consecrated, therefore much loved by her children and "the heart of her husband trusted in her."

The funeral services were conducted at the home in Fayette by her long-time friend, Rev. R. H. Cooper, assisted by her pastor, Rev. W. L. Scarborough and the body laid to rest by that of her husband in beautiful Walnut Ridge Cemetery.

Sister, thou wast mild and lovely,
Gentle as the summer breeze,
Pleasant as the air of evening
When it floats among the trees,
And again we hope to meet thee
When the day of life is fled,
And in Heaven to greet thee,
Where no farewell tears are shed.

W. L. SCARBOROUGH.

MRS. S. W. ATTEBERRY

Mary Belle Holt Atteberry was born in Hannibal, Missouri, May 24, 1838. She was the daughter of Rev. R. P. and Nancy Holt. She was educated at Central College. During her life she was married twice. Her last marriage was to Rev. S. W. Atteberry, March 25, 1875, at Edinburg, Missouri. Rev. Atteberry was licensed to preach in September, 1863, and joined the Missouri Conference in August 1866. He was active in the work of the ministry as pastor and Presiding Elder until August 1891, when he was superannuated. After this time he resided in Huntsville, Missouri, until his death in February, 1911.

During all this time Mrs. Atteberry was an active Christian, fighting loyally by the side of her husband to establish the kingdom of Christ. She was a source of great help and inspiration to her husband in his ministerial life.

Mrs. Atteberry lived with her daughter, Mrs. W. T. Dameron, of Huntsville, Missouri, until her death February 28, 1921. She was consecrated to Christ under the preaching of her father, who was a pioneer Methodist minister. She united with the church and remained an active member all her life, nearly 74 years. She loved the church with great devotion. All who met her were impressed by her undying faith in Jesus and the wonderfulness of her Christian experience. Her life continues to be a great blessing to all who knew her.

Yours truly,

W. J. WILCOXON
